ABOUT US

The Clevedon Agricultural and Pastoral Society was formed in 1908 to help support and promote Agricultural and Pastoral activities within the region.

The Clevedon Agricultural & Pastoral Show is now a highly anticipated spring event in Clevedon, providing a fantastic jam-packed weekend of events for all.

The Show has always been largely by volunteers and hosts a vast array of activities, from equestrian to poultry competitions and all animals in-between. Alongside family entertainment, there are always a vast display of animals and machinery to keep us entertained.

We pride ourselves on trying to find the balance between the needs of changing generations whilst still trying to stay true to the show's original purpose of being a traditional A&P Show.

Your support in the form of sponsorship enables us to continue to run this well-known show, and to continue to provide enjoyment for the 15,000 + visitors we see each year.

Thank you for considering us, we thank you in advance for your support.
