

CLEVEDON A&P SHOW 2024 TRADE EXHIBITORS PROSPECTUS

Welcome from the President

It gives me great pleasure to welcome you all to the 108th Clevedon Agricultural and Pastoral Society Show.

On the 23rd March, 1909, eight men met in Clevedon to discuss a proposal to hold a district show. In quick succession following that first meeting, the Clevedon Agricultural and Pastoral Society was formed, the first show held, a ground purchased and development plans made. What would that small founding group think if they could be here today, 107 years and 103 shows later. Growing up, I knew some of them very well but never thought to ask them why they attended that meeting. I imagine however they are much the same reasons as to why I joined the Clevedon A & P Committee some years ago. They had developed a love for this land and had a passion for livestock and agriculture in general. Clevedon was their home and they wanted to put it on the map.

As President of the show this year I take great pleasure in continuing the endeavour to promote our district. It is an area with considerable natural beauty, friendly people and readiness to embrace steady change. Our show continues to adapt to the changing face of Clevedon, now less a farming area and more a lifestyle choice. The show mirrors the changes but also keeps the ideals of the founders. Our hard-working Executive Committee, Secretary and Event Manager have worked tirelessly to ensure that your visit to the 108th Clevedon Show is fun and enjoyable, and we have strived to make this our best show yet.

I wish you all a most enjoyable weekend.

Keith Galvin
President

Trade Exhibitors Vehicles

A parking pass for the Trade Exhibitors area will be provided with your Trade Site, Vehicles must be clear of your trade site by 8.30am each day or they will be towed at owner's expense. You will not be able to access your site with your vehicle during Show hours.

Any vehicles remaining within a trade site area MUST remain stationary at all times.

Security

There will be security on site from 6pm until 7am on Friday and Saturday nights, there will be no security on Sunday night. Exhibitors are advised not to leave their valuables unattended at any time.

We recommend you dismantle your trade site at close of show on Sunday, property and equipment may be left until Monday at owners' risk.

Power and Electrical Equipment

- The charge for power connection from a identified 'powered' site for the two days is \$60.00 incl GST for standard power
- Three phase power is available by prior arrangement from 'powered' sites at a cost of \$80.00 for both days
- All vehicles that require a connection to the Clevedon A&P power network must be displaying the appropriate and current Electrical Warrant of Fitness. A copy of the Electrical Warrant of Fitness must be forwarded with your application form.
- Our Electrical contractor's reserve the right to check any and all electrical equipment on site for compliance. Exhibitors will be required to disconnect any equipment that is found to be non-compliant or faulty.
- All electrical equipment must carry current electrical test certificates to comply with NZS3760 wiring regulations.
- If you have different or specialised power requirements please contact us for more information.

Power Connections and Use

- Connections to the A&P Assn electrical network must be made only through
A three pin plug with and isolating transformer, or
RCD with a residual operating current not exceeding 30mA (refer Electrical Regulations Section 4 – Tents)
- Exhibitors are to provide their own extension leads, all power cables are to have sufficient length to reach supply point.
- All extension leads must have a current testing tag attached
- Use of double adaptors is strictly prohibited – Please use power boards only.
- Entry must be restricted to the back of any trade site that has power supply entering it.
- Where power cables are at the front of a trade site, they must be covered or sliced into the ground.

Promotion

The Show will be promoted through news media, radio, websites, posters, direct mail to clubs etc and billboard signage.

Note that the application form offers you the chance to opt out of partaking in any such promotion. Unless you tell us otherwise, we will pass on your contact details to local media agents. While participation remains your company's choice, we hope that you will take part as this helps us both. Please feel free to phone 09 292 3061 with any editorial idea we can follow up on.
